# PUSPAAYU

*REAL BURGERS, FRESH VIBES*

Puspaayu was born from the passion for burgers shared by two brothers, fueled by the experiences gained from each one of their trips. Wherever we've traveled, burgers have always been by our side, and we love them to bits! This is why we've brought our burgers to our home: the island of Menorca. Puspaayu represents our lifestyle, one that, we hope, will inspire you to pursue what you love, just as we found our inspiration in burgers.
